Student Login Guidance for the Google G Suite for Education

Logging into the Google G Suite for Education provides student access to Google Classroom, Gmail and all other educational resources in the environment. Students sign in using their district account. The process is outlined below.

- 1. Go to Google.com
- 2. Click sign-in (or click on the person signed in, to choose or add an account)

3. Sign in with the student ID number followed by @albany.k12.ny.us and their district password.

4. Click on the squares in the upper-right and choose Classroom, or type classroom.google.com in the address bar.

5. Click on the class you wish to join. If given a class code to enter, click on the plus in the upper-right and choose join to enter it.

6. Notice that Classroom has 3 main sections. In general, the Stream is for announcements, Classwork is for resources and assignments, and People is for contacting the teacher.
